VIRGINIA JENKINSON

"Is Your Smile Showing" may soon become a chant in Sierra Madre. The other night the Chamber of Commerce held its first open forum meeting and according to the more than 40 men and women present, some excellent ideas for the stimulation of business were presented. One which seems to ring the bell with many is the "Clerk of the Month" feature, whereby the clerk giving the best and most courteous service will receive an award by the Chamber of Commerce. The person selected to receive recognition for the month will be chosen by the buying public through balloting in the stores. Sounds mighty good to us! Let's don't let the idea get cold. How about starting next month!

At the same meeting Jim Wolfe, major domo of Youngland, gave some good suggestions based on his long experience in merchandising. He pointed out that allowing a customer to wait for service without some word of greeting, is one of the surest ways to lose that customer. Are you guilty of this? We know that at the NEWS office we have been guilty more often than we like. Sometime we are all talking on the phone while the counter becomes crowded and we must decide between the counter and the phone. After this we shall give some simple salutation to our drop in customers as they enter... even if it is only a friendly wiggle of the ears.

The Chamber of Commerce reminds us that this coming week will be No. 4 in the Civic Loyalty posters campaign. Posters should be changed each Monday by the 40 merchants who have subscribed to the service. Good News! A survey made by the C. of C. reveals that this year's Easter business showed a slight increase over 1953. One merchant reported that his business since January has shown a 20 per cent increase.

Around the Square

By VERA H. LUMBARD

The NEWS Lost and Found Department functions pretty efficiently. So much so that we have sometimes spotted lost dogs from our window, brought parakeet-losers and parakeet-finders together via phone inquiries, and placed key cases in the hands of anxious owners, sometimes losing classified ads thereby!

But we weren't able to help Tessa Lue Johnson, daughter of Fashion Future's Betty Johnson, when she came in on Good Friday with a frisky pullet (?), young rooster (?)... well—anyway, a sort of small chicken, well-past the downy yellow chick stage associated with Easter.

Tessa Lue found the little chicken strutting unnoticed along Kersting Court amidst the Easter shoppers, occasionally pecking at a dropped jelly bean or making a mischievous pass at the nearest ankle.

We didn't think Tessa Lue would find ANYONE who would own to ownership of the gawky ugly chickling with the tattle-tale-grey feathers, but she did. She circled the Square a few times until some children joyfully claimed their pet from her arms. It had jumped out of a parked car.

When we saw Dottie Underwood last she was chuckling to herself and hurrying home to carry out an idea that had just struck her. Said she was going to stitch a second-hand lace around the edges of the recent wistaria-colored NEWS—the one carrying the 80th birthday picture of her father, Artist Alfred J. Dewey.

Said she was going to present the lace-trimmed wistaria edition to him as a SPECIAL memento.

You know... lavender and old lace!

Never around at the right-time department.

Sure would like to have seen Asst. Street Super Ben Mobley stalling a tiny stray parakeet on the roof of the City Hall the other day.

Carl Smith to Leave Present Ministry and Become Episcopalian

REV. CARL SMITH

The Rev. Carl Smith, minister of the Sierra Madre Congregational Church for the past eight years and president of the Ministerial Ass'n, has announced his intention of ending his ministry here in the fall and of entering the ministry of the Protestant Episcopal church.

Members of the Rev. Mr. Smith's congregation received this news from him by mail this week. He concluded his

brief message with the observation:

"After eight years it is not easy to think of leaving but I believe it will serve the best interests of us all. I pray to God that this may be true."

The Rev. Mr. Smith states that his formal resignation will be presented to the annual meeting of the church on May 26th and that at that time a committee will be elected to seek out a new minister for the pulpit.

Asked to comment unofficially regarding the minister's intention to resign, W. F. Schrengardus, moderator, indicated that those few within the church who had been told informally had received the news with "unanimous regret." "The Rev. Mr. Smith," he added, "has been faithful and untiring in meeting the many requirements of his office and his leaving will be a loss to the entire community. It will be very difficult to find an equally qualified successor."

The minister has served the local church since June, 1946, coming here with his family from Winthrop, Mass. He took his seminary work at Harvard Divinity school of Harvard university and has been in the Congregational ministry since 1940.

Meeting to Thrash Out Water Needs, Financing

A public meeting will be held May 4 at 8 p.m. in the City Hall for the purpose of discussing financing for recommended water department improvements in the light of the recent defeat by the voters of a \$110,000 bond issue for that purpose.

James M. Montgomery, engineer, who recommended the improvements, including a new high-level reservoir, and a new well, in his \$5000 report and survey, will be the speaker.

Mayor Charles E. Louk urged the attendance of all Sierra Madreans when he announced the meeting Tuesday night.

Carter Statement

Councilman Paul N. Carter, one of the strong proponents of improvement bonds, stressed to the NEWS the urgency of effecting the improvements by some means, indicating that in his opinion the City may be faced with the necessity of substantially increasing water rates to cope with the situation.

"It would be possibly nine months before a bond election could again be taken to the voters," he said. "In the meantime, visualize the potential damage of a 10-inch rainstorm and the possibility of serious damage to the vulnerable Auburn Ave. reservoir (Zone 3) serving everything above East Alegria and West Grand View."

Mrs. Vane Urges Views

Also urging full attendance at the open meeting May 4, Mrs. Grace Vane, interested property owner and faithful follower of civic affairs, said after Tuesday night's council meeting:

"Mr. Montgomery, upon whose recommendations the recently defeated water bond issue was presented to the electorate, will

in person, present the facts upon which those recommendations were based. In accordance with the American way of having both sides of every issue presented to the people (and there is strong opposition or the bond issue would not have been defeated) may I urge that opposition views, both as to needs and financing, be presented to this audience as I know all Sierra Madreans are loyally interested in the best welfare of our city and will attend the meeting with an open mind for reappraisal of all facts and figures."

Red Cross Drive In Sight of Quota, Lacks Only \$135

The Red Cross drive for funds in Sierra Madre was within hailing distance of its goal this week. The total of funds received to date is \$6,173.39—just \$134.61 short of the \$6308 quota for this year.

Thomas M. Schwartz, drive chairman, who is convalescing after a recent operation, says the drive will continue until the quota is reached, and that he's certain it will be.

Contributions may be taken or mailed to Mrs. Florence Peterson, executive secretary, at the chapter headquarters, 41 S. Baldwin, or to David H. Allen at the Bank of Sierra Madre.

Two More Candidates File For School Board Elections

Voters May Increase Board to 5 Members

With yesterday, April 21, the deadline for filing of candidacies for election to the City Elementary School board of trustees, it appeared by press time that there would be at least three candidates, one of them an incumbent, Dr. Milton W. Valois, now president. Dr. Valois announced his candidacy for re-election some weeks ago.

The other candidates, for whom petitions have been circulated and filed, are George A. Feichtmann and Mrs. Nathan Jacobs.

Proposition on Ballot

Appearing on the ballot in the Elementary School district election May 21, also will be the proposition to increase the

present three-member board to five members, made permissible by recent legislation. If voters approve this proposition and the three candidates, the enlarged board will be complete.

It is understood that the increase in the number of trustees could have been made mandatory by action of the present board. On this subject, Dr. Valois had this to say:

"We on the board felt it was a choice that the public could make and should have that privilege."

Sorensen Quoted

Speaking for the local Education Research committee of which he is chairman, Severin Sorensen stated:

Call for City-Wide Springtime Cleanup

This time of year is — or SHOULD be—CLEAN UP time in Sierra Madre.

In compliance with the State Weed Abatement Act, the City is now posting properties which have grown weed crops that not only constitute a "noxious nuisance" to allergy sufferers but a dry-season fire hazard.

The weeds should be cropped and turned under now while the ground is soft. City Administrator R. Merritt Baker points out. Property owners will have an opportunity to state their cases at a public hearing April 27th.

If properties haven't been cleared after a reasonable length of time the City crews will do the job—but not gratis. The cost will show up as a specific weed clearance charge on the property owner's tax bill.

It's less costly and altogether more satisfactory to do the job now in the interests of good grooming, civic pride and compliance with the law, the administrator advises.

Seek Use of Properties for Parking Here

Sparked by the Bank of Sierra Madre's plans to commence building soon on its property now used for off-street parking, the City is taking steps to secure, for immediate parking, the vacant property back of the City Hall pending formation of a Parking Assessment district.

Among the first matters for the new council to take action on at its first regular meeting next Tuesday night will be a resolution accepting the debt limitation report of the city engineer and a resolution and ordinance providing for a public hearing on the Parking District.

The city attorney, T. Guy Cornyn, estimated that the whole matter, including public hearing, subsequent land acquisition and spreading of assessments might be concluded in 60 days.

In the meantime the city administrator says he has had indication that the property back of the City Hall would be available gratis to the City for early use. The Council has authorized the administrator to seek temporary use on a similar basis of the other two properties involved prior to their acquisition by the Assessment District.

You'll Be Tardy for Church if You Forget To Turn Clock Ahead!

It's that time of year again when it will be necessary to turn the clock ahead in order to keep up with the world—at least the California part of it.

Daylight Saving goes into effect next Sunday, April 25, so you might practice giving the clock a few twirls, preferably in the right direction.

But don't make it permanent until Saturday night when you go to bed. Then, by turning the timepiece one hour ahead you'll be right on time for church in the morning.

Don't fret about the hour of lost sleep; you'll get it back next September!

New Council Unanimous in Choice of C. E. Louk as Mayor

New Nursery School Board Names Officers

Mrs. Robert Jacobs Succeeds Mrs. Marugg

The newly-elected trustees of the Sierra Madre Community Nursery School Ass'n named Mrs. Robert Jacobs to the presidency, succeeding Mrs. Gerald Marugg, following the annual meeting of the association Tuesday night.

Other new officers are: Mrs. Abraham Swerdlow and Harold R. Bartel, first and second vice-presidents, respectively; Mrs. William Beckwith, recording secretary; Mrs. Donald McAdam, corresponding secretary, and Robert Bettencourt, treasurer.

These and the following were elected to the 21-member board of trustees at the annual association meeting: Mrs. Verner Schomaker, Mrs. Patrick Chase, Mrs. George Feichtmann, Kenneth Green, Andrew Hedblom, Mrs. Edgar W. Jenkinson, Mrs. John C. Loomis, Mrs. Marugg, Mrs. T. W. R. Parker, Mrs. Robert Pitzer, Mrs. Virginia Sayles, Wayne Stinnett, Richard Tuchscherer, William Vensel and Robert Young.

The nominating committee which presented the slate included: Mrs. Roger Johnson, chairman, Mrs. Beckwith, Mrs. Bettencourt, Mrs. Jacobs and Mrs. Pitzer.

TEACHERS, PUBLIC INVITED TO HEAR McKESSON ADDRESS

Teachers in the Sierra Madre public elementary school, the administrative staff and members of the school board of trustees have received special invitations to attend a dinner Saturday night, April 24, in Masonic Temple and to hear a talk by Superior Court Judge William B. McKesson.

The event, which is open to the public, will touch off the observance next week of Public Schools Week sponsored annually by California Masonic lodges. Dr. Raymond B. Pease of the local lodge is general chairman.

McKesson is presiding judge of the Juvenile Court of Los Angeles. The dinner in the temple at 33 E. Sierra Madre Blvd., is scheduled for 6:30 p.m.

Chief McMillan is Elected President By City Employees

The City of Sierra Madre Employees association was formally organized Monday night at a meeting in the Youth Hut and Chief of Police Gordon G. McMillan was elected its first president.

More than 25 of the City's 35 employees, representing all departments, attended the organization meeting, adopted by-laws and named other officers and directors.

The other officers are: Benjamin F. Mobley, vice-president; Mrs. Beatrice Thompson, secretary, and Carl S. Rees, treasurer. Serving with these officers as directors will be Robert K. Vanderpool, J. M. McDonough and Miss Lulu Moore.

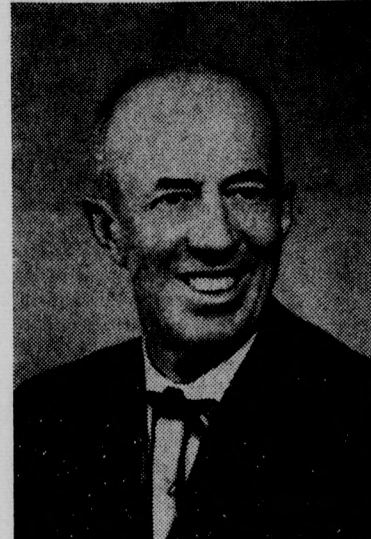

The association plans to set up committees to study legislation affecting the employees and Sierra Madre as a whole and it has established as its objectives the promotion of a better understanding between City departments and to render more efficient service.

There also will be social events for members, particularly during the summer months, they report. Meetings will be held once a month, the next set for May 6.

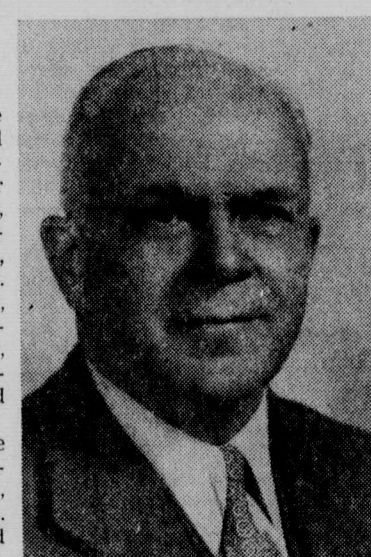

SCHWARTZ CONVALESCING

Thomas M. Schwartz, president of the Sierra Madre Hardware company, is convalescing after an appendectomy which he underwent a week ago at St. Luke hospital.

He became ill as he and Mrs. Schwartz were enroute home from Death Valley.

Baker Tells Receipt of State Money

In informing the Council Friday night of the City's receipt of a check in the amount of \$3,873.42 from the State Director of Finance, City Administrator R. Merritt Baker smilingly took the opportunity to give a pat on the back to the Council-Administrator plan of municipal operation.

The check, he pointed out, makes a total supplementary income of \$12,977.74 since the Council-Administrator plan was adopted here in 1950. It is reimbursement for public works expenditures dating back to 1949.

"If these payments of approximately \$13,000 are subtracted from total outlay for the City administrator's salary since October, 1951, it leaves a remaining monthly outlay of about \$97.50," he quoted from his resignation report dated March 9th.

"This additional income did not happen of itself but had to be thought through, worked out and attained through special effort," he says.

C. of C. Studies Parking, Better Business Patronage

The need to take immediate action on the parking problem in Sierra Madre and ways to encourage greater patronage of local business houses were major points of discussion at the first open forum meeting of the Chamber of Commerce held Thursday night at City Hall.

More than 40 attentive business men and women listened as President Don Jackson reviewed the accomplishments of the civic group since its reactivation this winter. He reported that three promotions—Dollar Days, Wistaria Tag Days, and a "Buy It at Home" campaign have been undertaken since Jan. 1 and that all three have met with a moderate degree of success.

Tribute Paid Hawkins For Service on Board

Charles E. Louk, City councilman, who has been serving as mayor and chairman of the municipal board since the March resignation of Henry F. Korsmeier, was unanimously elected to that office Tuesday night by the new City Council at its organization meeting. The term is for two years.

Bids Accepted For New Park Amphitheatre

Completion Planned For Summer Concerts

Construction and landscaping relative to establishing a small amphitheatre in City Park will get underway soon to be in readiness for the first open air performance of the Sierra Madre concert band.

By motion of Councilman Charles H. James, council member of the City Recreation commission, the low bids of \$760 from Barrett Home Gardens for plantings and of \$596 from the Ecker Brothers Construction company of Pasadena for cement work were accepted by the City Council Tuesday night.

The work will be done under the supervision of C. Jacques Hahn, local landscape architect, at a cost not to exceed \$105. Hahn developed the overall plan for park improvements of which the amphitheatre is one feature.

It is the announced intention of the council to have City trucks move the necessary fill to the park location from elsewhere in the City and to have park personnel put in the lawn where needed.

Consultants on Zoning Plan Are Re-hired

The planning consultant firm of Gordon Whitnall associates will be hired by the City at a sum not to exceed \$3000 to provide a master land use plan for Sierra Madre under a detailed contract specifying services to be drawn by City Atty. T. Guy Cornyn.

The motion to again hire the Whitnall firm after the council had rescinded similar action several weeks ago for further study, was made by Councilman Harold F. Roberts.

The Whitnall firm representatives have informed the council that they will hold a series of public meetings here to "get the pulse of public feeling" regarding an overall zoning plan and will send speakers to any local organization on request.

Following the official canvass of the April 13 election results, including tabulation of 62 absent voter ballots, the one retiring councilman, W. Murray Hawkins, was paid tribute for his services, and the three newly-elected councilmen, Louk, Harold F. Roberts and Lorne B. Pratt, were sworn in by City Clerk Marie Warfel, Charles H. James, senior councilman, and Paul N. Carter, complete the board.

Hawkins, appointed to the Council in September, 1952, to fill the unexpired term of William A. Kinney, had not been a candidate for election. Louk and Roberts, were elected April 13 by plurality vote, along with Pratt, to four-year terms.

Additional Votes

In the absent voter ballots the three leading candidates picked up additional votes, Louk 41, Roberts 42, and Pratt 26, bringing their total votes to the following:

Louk, 831; Roberts, 847; and Pratt, 1028.

The leading unsuccessful candidates continued to be Walter H. Goodwin with a new total of 520, Col. Charles R. Gildart, 425, and Leroy H. Quackenbush, 424. Neil K. Yarnell had 18 votes by absent ballot bringing his total to 411.

Deferred to 27th

At an adjourned meeting of the former council on Friday, April 16, all major issues on the agenda were held over to the first regular meeting of the new board which will be Tuesday night, April 27. Among these were a report on street improvement districts, hiring of additional men and equipment for new water main work, resolutions regarding off-street parking district, and a public hearing on the Malley variance appeal.

Good Friday Union Service Well Attended

The attendance of between three and four hundred men and women at the mid-day Union Good Friday services last week in the Church of the Nazarene is regarded as a gratifying endorsement of the pioneer event here, according to the sponsoring Ministerial association.

The service was the first such community religious project here with as many local churches and clergymen participating.

WONDERS IF HE'LL KNOW THE TOWN

March 29, 1954

Editor

Sierra Madre News
Dear Sir or Ma'am:

I would like to have the subscription address changed from Tower Park Courts, Harlingen, Texas, to the address below. I hope the next time I move it will be back out west. I have seen just about enough of Texas.

I certainly enjoy reading the paper, although there are times that it puzzles me, not having been in Sierra Madre since I re-enlisted in the Air Force in 1946. Such references to the Hastings Ranch clubs and school, which was a lot of grape vineyards when I left.

I also noticed that what used to be a parking lot along side of Roess Market is now the post office, and judging from certain articles now and then, I take it that the street cars no longer

run in Sierra Madre. I am beginning to wonder if I will know my home town if and when I am able to get back to it.

From time to time I would like to see pictures of the improvements in our not-so-little city. There are some people who do not appreciate the wonderful city in which they live, according to some of the letters I have read in the paper. They all seem willing to improve the city, that is, if someone else does the job and also if it doesn't cost anything to them. If some of the people who have gripped in the past had just gotten up and done a little themselves, and done less griping, they sure would be surprised what a wonderful little place they live in. The worst of it is, some of the people who do the complaining don't pay the taxes. Each time I read a letter knocking the city I do a slow burn. I only wish that some of the people could change places with me for a

while and have to live on the Rio Grande border. When they get back to Sierra Madre they'd be so changed no one would know them.

I guess that I have said enough. This started out to be just a change of address, but this particular subject has been bothering me for some time, S/Sgt. George W. Dunnagan, USAF, 121 W. Washington St. Harlingen, Texas.

WHAT FUTURE HOLDS

April 1, 1954

To the Editor
A meeting on March 25, 1954, at which Mr. H. E. Hedger, chief engineer, Los Angeles County Flood Control District, and Colonel Arthur H. Frye, Jr., Los Angeles district engineer, Corps of Engineers, U.S. Army, discussed the program of flood control and water conservation in Los Angeles County, was attended by the writer.

Inasmuch as no other residents of Sierra Madre appeared to be present, and information of considerable significance to the city was given, a few of the highlights are tabulated here.

There are immediate plans for three debris basins in the Sierra Madre area, one in Carter Canyon, one in Auburn and an enlargement of the one in Bailey Canyon. No money is currently available to undertake these projects but they can be completed before winter 1954 if the appropriation now being considered by Congress is approved. These basins will be constructed to accommodate 200,000 cubic feet of debris per square mile of watershed in the canyons.

These basins will presumably handle the mud and debris to be expected from these three canyons but will not stop the flow of water. No drainage channels to safely drain the water from the canyons will be started until after 1955. This date is based on the most

optimistic estimates. Moreover, progress on such channels will be based upon the appropriation of funds. The past rate of fund appropriation, if averaged, will allow completion of the presently planned Los Angeles County flood control project by 1960. However, if appropriations continue at the rate achieved in 1953, an earlier completion, no date mentioned, may be expected. Work in Sierra Madre is very late on the schedule for completion, since the Whittier Narrows project and channels radiating from it upward toward the mountains must be completed before drainage channels in foothill areas can be constructed.

Since the Whittier Narrows project will not be completed until 1955 and full growth of vegetation on the mountains will require many years, the City of Sierra Madre must expect floods for at least two or three more winters, of magnitude commensurate with whatever rain falls.

Mr. Hedger and Colonel Frye pointed out that many communities in Los Angeles County have contributed to the flood control program by undertaking construction of drainage channels or storm drains as community improvements. Hedger commended this cooperation and stated that the flood control district will advise, aid and approve planning of projects which local communities desire to undertake as their own contribution to the flood control effort. Further, the flood control district will actually supervise the construction work if the community so desires.

It would appear that this possibility should be carefully investigated by the citizens of Sierra Madre, as represented by their City Council, in order to prevent a recurrence of the flood damage caused by less than average rains this year.

It is time we recognize the limitations of the program of the flood control district and the Army Corps of Engineers and help ourselves. P. S. Chase 386 N. Lima St.

Lee Shippey asks

What Do You Think?

Bob Sweet, 31 E. Bonita, was 15 years old when polio struck him, a little more than a year ago. He went to the Sister Kenny hospital in El Monte and now he can drive a car, though he cannot yet walk, can keep up with his school work and hobbies, and is improving so it now appears sure that he will be completely restored in time. Last week he was allowed to take off a brace which had been giving him for long months.

Diane Danielson, living on East Laurel, was about 3½ years old when stricken, and for a long time made very little progress toward recovery. But seven months ago she got into the Sister Kenny hospital and now is making most encouraging progress. Chuckie Thomas, on West Carter, was only a year old when he was stricken. Now, aged 4, Chuckie tears about almost as fast as anyone, though he still wears a brace on one leg.

Last week the doctor found his progress so encouraging that they believe he will not need any brace in time. All these youngsters have been greatly benefited by the Sister Kenny treatment, are still reporting as much as twice a week for treatments, and probably will be out-patients for another year or two.

There is only one Sister Kenny hospital west of Minneapolis, the one in El Monte. It has proven, in hundreds of cases, that Southern California not only needs the March of Dimes but the Sister Kenny hospital, the only hospital solely for polio cases. Polio is no respecter of persons. It is as likely to strike any one of us, or any child of our acquaintance, as it is to strike anyone else. Mrs. Dorothy Danielson, 53 E. Laurel, is heading the Sister Kenny drive here, out of her own great appreciation of what the hospital is doing for her child. With a crippled child taking a lot of her time, she can't call on you. Why not mail her a check, made out to the Sister Kenny Fund, or a bill or two today? Every one of us should be so glad, if polio has never struck any of our loved ones, that we should make a thank offering.

The only real trouble with Sierra Madre is that it is embarrassingly full of good neighbors. We used to like to visit the Oscar Sellings, but Oscar, though a great violinist, put me to shame by his cleverness at remodeling houses. Later we liked to visit the Carl Colts, but Carl, though important in the Los Angeles Chamber of Commerce, put me to shame by the way he took care of his grounds and built with bricks and concrete. Then the Clayton Kirklunds bought next door to us, and Clayton not only did improving things about his own place but came over to do things on mine that I wasn't smart enough to do. I excused myself on the ground that my sight is very poor. Then cataracts made Clayton's sight worse than mine—but darned if he doesn't keep right on doing things I can't do and doing

things better than most people can. It sort of makes a fellow feel inferior. * * *

Last word: Anybody can fall back on good excuses, but they never yet built anything. The people who make the world go around keep plugging along and doing things in spite of handicaps.

Hiestand Makes Bomb Film Available

As a public service, Congressman Edgar W. Hiestand of the 21st Congressional District has purchased a print of the official Atomic Energy Commission film of the initial H-Bomb tests and this film will be available without charge for showing to civic organizations, PTA groups, service clubs, schools and other organizations throughout the district, his local office announced this week.

The film, which is a 16mm sound and color print, runs a total of 28 minutes and is titled "Operation Ivy." It is the complete and official film record of the H-Bomb initial tests conducted in the Pacific, and was recently released for public showing.

"Because of the tremendous current interest in the H-Bomb tests, I have personally purchased a print of the film so that the various organizations may have a chance to witness the awe-inspiring power of this tremendous weapon," Congressman Hiestand said.

Bookings for the film may be made with William Harrison, 6655 Beeman, North Hollywood, Poplar 6-3741, and will be made on a first-come, first-served basis. Organizations must furnish their own 16mm projector and projectionist and must make arrangements for prompt pickup and return of the film. Mr. Harrison said. Bookings will be accepted from May 1.

COUNTY FORESTER TELLS COMPLETION OF PINE PLANTING

Los Angeles County Forester Van Wagner has announced completion of the planting of 3000 seedling pines in the burned mountain area north of Sierra Madre. These were mostly bare root stock of drought-resistant Knob Cone and Coulter varieties.

Plantings were made in accessible areas having protected exposure in Bailey and Lannan Canyon watersheds. A Boy Scout Troop in San Gabriel has indicated a desire to care for these trees during the summer season, and it is indicated local troops may assume care of some areas. Members of City Council collaborated in arrangements for the trees, this being the first major planting in this area since 1912. Many of the trees of this early planting have now reached a height of thirty feet. Much of this work was done under supervision of Sierra Madre's oldest living mountaineer, Lewis Newcomb.

Master Organ Series Closes April 30th

The third and last event in the Master Organ series for this season will take place Friday, April 30, in Thorne Hall at Occidental college.

The Pasadena and Los Angeles chapters of the American Guild of Organists and Occidental college will present the well-known organ virtuoso, Virgil Fox, who is organist of the Riverside Drive church in New York City and internationally known in the organ world.

Among those in our area interested in the series are Dr. J. Andrew Hall, Mrs. Samuel Kirk, Mrs. R. R. Patterson and Mrs. Elizabeth Farrow.

FOOTHILL TOASTMISTRESS CLUB SELECTS DELEGATES FOR L.A. CONVENTION

Members of the Foothill Toastmistress club recently held their monthly meeting at Yves in Duarte.

It was decided to send Miss Mary Ann Seibold, Miss Hazel Jones and the president, Mrs. Walter Goodwin, to the convention to be held in Los Angeles.

Twenty-five per cent of all drivers involved in fatal auto accidents in the U. S. last year were under 25 years old.

Scout Troop 1 Benefit Show Set for Apr. 28 at Sierra Madre Theater

Boy Scout Troop 1 of the Congregational church is sponsoring a benefit show Wednesday night, April 28, at the Sierra Madre theater. All proceeds from the two complete shows to be presented that night will augment the troop's camp fund, according to Max Green, benefit show chairman. The doors will open at 6:30 p.m.

The committee and the theater had hoped to present a first-run feature film but it was necessary to make a last-minute substitution. The feature film will be "Mr. Scoutmaster" with Clifton Webb. In addition there will be two Walt Disney Academy Award films, "Bear Country" and "Nature's Half Acre."

DON JACKSON ON EASTERN BUYING TRIP FOR 10 DAYS

Donald H. Jackson of the Don Jackson Store for Men and president of the Sierra Madre Chamber of Commerce, left Monday night by plane on a 10-day buying trip to New York City.

In 1953, 269,360 pedestrians were injured in U. S. traffic accidents.

Local Men Participate In Operation Flaghoist On Island of Iwo Jima

FAR EAST (FHTNC)—Participating in Operation Flaghoist, an amphibious training exercise on the island of Iwo Jima, were Navy Lt. (j.g.) W. Loren Heasley, son of Mr. and Mrs. James C. Heasley of 536 Oakdale Dr., aboard the escort vessel USS Marsh, and Robert W. Newberry, Jr., boatswain mate first class, USN, son of Mr. and Mrs. Robert W. Newberry of 435 E. Granview Ave. and husband of Mrs. Elaine F. Newberry of Long Beach, aboard the attack cargo ship USS Sagit.

The operation, which involved thousands of Navy and Marine Corps personnel, was designed to promote the combat efficiency of all participating units. It afforded training in the planning and execution of an amphibious landing under realistic combat conditions.

The training exercise took place nine years after the capture of the small Pacific island. Japanese resistance ended March 16, 1945.

There were 50,000 more persons injured in U. S. motor vehicle accidents last year than in 1952.

Girl Scout News

It is interesting how profitable a trip close to home can be. The girls of Troop 20 discovered this on a hike during Easter vacation at Sierra Madre Villa Park. It was made especially interesting by a naturalist, Mr. Brown of North Hollywood. On a trail that would normally require only a short time for hiking, the girls found that an hour sped by very quickly, there were so many interesting things for them to learn.

Not only were the names of the plants along the way made available to them, but with each shrub or flower or tree information was given in an interesting way about the uses man had made of it, and even at times the tales Indians had woven about it were told. The woven about the troop enjoyed especially watching the girls touching and holding a beautiful mountain king snake. This one experience alone was worth the trip. The snake was only part of a small museum Mr. Brown is starting.

That the services of a naturalist are available to the public in this nearby park does not seem to be generally known. There are probably many Sierra Madre families with an interest in the out-of-doors who would enjoy this trip.

Yucca Trail Runoff Studied By Engineer

Public Works Director Glenn B. Watson has informed the City Council that correction or alleviation of the flood and debris problem on Yucca Trail and Woodland Drive appears to be too great an undertaking for Sierra Madre. Watson has made recommendations which the council has referred to the Los Angeles County Flood Control District, the U.S. Forest Service and the Office of Civil Defense.

Yucca Trail joins Woodland Drive about 1100 feet north of where Woodland crosses Sierra Madre wash. A 10-foot-high wall built above the intersection by property owners some years ago was knocked down during the first rains after the watershed fire. As a result, whenever it rains enough to start mud and water flowing, it comes into Woodland, filling the street with debris as far as the bridge, according to Watson.

Two ways Watson has suggested for controlling the debris coming out of the canyon on to Woodland Drive are: (1) construction of a series of small check dams of wire and iron posts at an estimated cost of \$50,000, and (2) construction of a small concrete check dam just above the intersection of Yucca at Woodland and from that point a flume of sufficient size could be built westerly into Sierra Madre wash, which would put all debris into said drainage, at an estimated cost of \$40,000.

The first measure, Watson pointed out, would necessitate securing easements from vari-

NOTICE INVITING PROPOSALS FOR EXCLUSIVE FRANCHISE TO ERECT AND OPERATE A TELEVISION MASTER ANTENNA SYSTEM IN THE CITY OF SIERRA MADRE, CALIFORNIA.

NOTICE IS HEREBY GIVEN that the City of Sierra Madre, California, will receive sealed proposals up to the hour of 8:00 o'clock P.M., of April 27, 1954, at the City Hall, Sierra Madre, California, for the granting of an exclusive franchise to erect and operate a television master antenna system in the City of Sierra Madre in accordance with specifications heretofore approved by the Sierra Madre City Council and on file in the office of the Sierra Madre City Clerk.

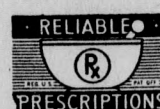

Copies of said specifications and related, proposed form of ordinance may be obtained free at the office of the City Clerk, City Hall, 55 West Sierra Madre Boulevard, Sierra Madre, California. Said specifications are hereby referred to and incorporated herein and made a part hereof by reference, and all proposals must comply strictly therewith.

No proposal may be withdrawn for a period of thirty (30) days after the date of opening thereof. The City reserves the right to reject any or all proposals and to waive any informality. All proposals thus received shall be opened by the City Clerk in the City Council Chambers in the Sierra Madre City Hall at 8:00 o'clock P.M., on April 27, 1954, for action thereon by the Sierra Madre City Council.

ous property owners in Tract 2456, inasmuch as the dedicated trail is only 10 feet wide and each check dam would extend from 10 to 25 feet outside the dedication. The subdivision, Watson says, is about 500 feet in length and the rest of the drainage, about 2000 feet, is owned by other owners. There is no dedicated right-of-way above Tract 2456.

Watson also points out that the series of check dams at an estimated cost of \$50,000 would not be a permanent improvement inasmuch as, after a few seasonal rains, the check dams will fill with debris and from that time on the regular runoff would take place and continue down Woodland as it does now.

Frederic Schwepes Have New Grandson

A son, Michael Craig, weighing 8 lbs., 9 ozs., was born to Mr. and Mrs. Robert Brousseau, 860 Gooding Dr., Albany, Calif., April 15, at the Navy hospital in San Francisco.

Mrs. Brousseau is the former Wynne Schweppe, daughter of Mr. and Mrs. Frederic Schweppe, 182 N. Lima.

Mrs. Schweppe is in San Francisco now visiting her new grandson and Mr. Schweppe and another daughter, Mrs. Robert Osti, and her two children, Susan and Cheryl, will make a trip to the Bay area this weekend to see the new arrival.

Artist Association Meeting April 23rd

The Pasadena Artist Association, Roger Hayward, president, will hold their next meeting Friday, April 23, at 8 p.m. at the newly-decorated "Artic Gallery" at 1294 E. Colorado St., Pasadena.

A special art panel will be the highlight of the evening. Each member is requested to bring a problematical painting for panel discussion.

Guests are welcome. They will find this meeting outstanding for artist interest.

Among those Sierra Madreans holding memberships in the association are Mr. and Mrs. Spencer Edwards, Mrs. H. B.

Friendship Club Group Visits Kenny Hospital, Takes Gifts to Patients

A group of members of the Sierra Madre Community Friendship club visited the Sister Kenny hospital in El Monte recently and delivered some gifts for children who are patients there. The local group included Mrs. Etta Leguin, Mrs. Lucy Marquardt, Mrs. Ida Abbott, Mrs. Blanch Gallagos and Mrs. Alice Sedgman.

The gifts they took were scrap-books made of durable cloth and eight nylon-filled washable rag dolls which were made by Mrs. Marquardt. The visitors were served a buffet luncheon, heard a lecture on the various functions of the hospital and were taken on a tour.

ETERI Club to Hold Meeting April 26th

The ETERI club members met in the home of Mrs. Margaret McAndrews, 311 Auburn. Hostess for the evening was Mrs. Robert Coit. Following the business meeting the members worked on projects for their comrades in various sanatoria. The group's next meeting will be Monday, April 26, at 8 p.m. in the home of Mrs. Roy Griffin, 715 E. Grandview. Mrs. Lester Packard will be co-hostess.

H. B. Heard's Are New M'ry Lane Residents

After residing for many years in Pasadena, Mr. and Mrs. H. B. Heard have come to Sierra Madre to make their home and are now occupying their newly-built house at 15 Monterey Lane. Mr. Heard is employed by the City of Pasadena in the light department.

The couple has a married son and daughter, who with their families, have inspected and approved the Heard's new home. Mr. and Mrs. Charles Heard and three children live in East Whittier and Mr. and Mrs. Douglas Maple and two children are Glendale residents.

Alpha Gamma Delta Alumni Meeting April 22

The San Gabriel Valley Alumni club of Alpha Gamma Delta sorority will meet in the home of Mrs. Hans Grell, 722 N. Michigan, Pasadena, Thursday, April 22, at 8 p.m.

Courtland Paul, well-known authority on landscape gardening, will be the speaker of the evening.

Final arrangements will be made for the sorority's fiftieth annual International Reunion Day to be held at the Statler hotel, Los Angeles, Saturday, May 1.

"THANK YOU, SIERRA MADRE!" say Raya Abbey and Janet Benson pictured here with "Nutsy" the clown. The local girls, together with other Blue Birds, Camp Fire Girls and Horizon Club members, participated in the recent annual peanut sale and have expressed their gratitude to the community for making the sale a success.

Sister Kenny Polio Hospital Fund Campaign Stated for May 7th

Sierra Madre women, under the leadership of Mrs. Robert W. Danielson are completing plans for the forthcoming fund raising campaign, to benefit the Sister Kenny Polio hospital in El Monte, which will start Friday, May 7.

Among Sierra Madre women gathering at the hospital recently for luncheon and an inspection tour were Mrs. Danielson, Mrs. Carl Hansen, Mrs. N.S. McDonald, Mrs. Robert Fletcher, Mrs. H. J. Struthers, Mrs. C. R. Foster, Mrs. Adolph E. Thorne, Mrs. W. S. Gallaway, Mrs. W.M. Waite, Mrs. Edwin B. Decker, Mrs. R. D. Sweet, Mrs. Miller, Mrs. Valois, Mrs. J. P. Atkinson, Mrs. Al Foxton, Mrs. Trudy Co-well, and Mrs. Jean C. Daughly.

Of special interest to the group were the great improvements made by the hospital since last year. Besides inspecting the beautiful new annex building that is filled to capacity during the polio season, the women visited the new respirator ward where they saw the five new Monahan iron lung chest respirators, a rocking bed, and oxygen masks that are used by the patient when he is receiving pack treatments.

This new ward is designed for complete safety of the patient while in the iron lung. A new room has been started for doctors so they may remain overnight when necessary. The women were pleased with the announcement that the hospital will have a new X-ray laboratory, by the end of this month, which will include a \$100,000 G. A. T. machine being loaned to the hospital from a university in Southern California. The help patients will receive from this machine is invaluable.

The group plans more tours of the hospital before their "kick-off" meeting preceding the annual Sister Kenny Polio Hospital drive. The last luncheon was under the chairmanship of Mrs. Danielson, city chairman, assisted by Mrs. Bashford Sewall. Section chairmen are Mrs. Foxton, Mrs. Sweet, Mrs. John Avedesjian, Mrs. John L. Golden, Mrs. Warren White, Mrs. Howell White, and Mrs. Winfield Cannon.

Mrs. E. G. Everett in Long Beach Hospital for Additional Surgery

Sierra Madre friends of Mrs. E. G. Everett of Long Beach were concerned to learn this week that she has had to return to the Seaside Memorial hospital in Long Beach for additional surgery and possibly a long stay there as a patient.

Mrs. Everett suffered a broken hip March 11 in a fall in Calexico and after being hospitalized, was convalescing at her home until it became apparent that additional surgery would be necessary, Captain Everett reports.

The Everetts had lived in Sierra Madre for many years until they moved to Long Beach.

Arcadia Music Mart To Present Sheriff John Next Saturday

Sheriff John of KTTV, said to be one of the most popular performers with small-fry TV fans, will be at the Arcadia Music Mart, 21 E. Huntington Drive, Arcadia, Saturday afternoon, to give autographs and chat with visitors.

Mel Pratt, of the Music Mart, says Sheriff John's records out-sell all others with his young customers. The TV artist will make his appearance at 2 p.m. Saturday, April 24, and will remain for about two hours, according to Pratt.

His young (and older) fans will be lined up at the front entrance of the store and each will be given an opportunity for a few words with the famous visitor.

Social and Club Activities

Guild to Sponsor May Day Breakfast

Members of the St. Catherine Guild of the Church of the Ascension have announced their annual May Day breakfast to be held Saturday, May 1, from 7 to 10 a.m. in the parish house.

Mrs. Eugene Field Englar, president of the guild, has stated that this breakfast has been an annual affair for over 30 years.

Ticket information may be had by calling Mrs. Hall Perry at CUSter 5-0802.

Delta Kappa Gamma Has Pasadena Meeting

Final plans are being completed for the 18th annual convention of the California chapters of Delta Kappa Gamma, national honor society for women in education, scheduled for Saturday, April 24, and Sunday, April 25, at the Huntington hotel in Pasadena.

Mrs. Dorothy Howe Koenig, state president, of Sierra Madre will have charge of the meetings when the 77 California chapters send their presidents and representatives to discuss techniques for leadership and the responsibility for providing the climate for its development.

Young Residents Have Festive Easter Parade

Eight-year-old Sharon Tyree organized an "Easter Parade" with her young friends participating.

The day before Easter, the residents along Lima, Mariposa, Hermosa and West Bonita were witnesses to the colorful and festive parade.

Among those little girls donning their Easter outfits, or appropriate costumes, were Sharon Lee Purcell, Janice Johnson, Judy Taylor, who rode her pony, Cricket, and Christine and Lucinda Warden who were dressed as Easter bunnies.

Sierra Madreans Attend Northern Convention

Mr. and Mrs. Gifford P. Eastwood, 181 E. Grandview, and Mr. and Mrs. Frazier Dougherty, 509 W. Grandview, are in San Francisco attending the Parent-Teacher association state convention.

Mrs. Eastwood is the president-elect for the Sierra Madre City School PTA and Mrs. Dougherty is the first vice-president-elect.

Rummage Sale Planned By Civic Club Members

Members of the Civic club met in the home of Mrs. Wayne Stinnett, 60 E. Carter, for the election of their new officers. Those officers to be installed at the June 10 meeting are: Mrs. Stinnett, president; Mrs. Chester Nowak, first vice-president; Mrs. Charles Morgan, recording secretary, and Mrs. Edward Chapman, treasurer.

Plans for a post-Easter party for their members and their husbands were discussed.

Mrs. James Bryce Tyler, ways and means chairman, presented plans for the club's May rummage sale which will be held in Pasadena. Mrs. Custer is the chairman in charge of securing and collecting the rummage.

Mrs. Gale Boulton assisted Mrs. Stinnett as co-hostess for the meeting.

Flag Card Party for Women's Fellowship

Members of the Women's Fellowship of the Congregational church have scheduled an evening flag card party for Saturday, May 1, at 8 p.m. in Pritchard Hall.

Mrs. Frank Marsh, general chairman, will be assisted by Miss Edith Seguin, Mrs. Charles R. Gildart, Mrs. Carl C. Smith and Mrs. Helen D. Haas.

Proceeds from the affair will be given to the church's budget fund.

All members, their husbands and friends are cordially invited to attend the evening of fun and entertainment. There will be a \$1 donation for the party. Reservations will be limited and those interested in attending may call the committee members.

"Carnation Ball" for Alpha Chi Omegas

A profusion of red carnations and golden "Lyses," traditional flower and symbol of Alpha Chi Omega, decorating the Mayfair room of the Beverly-Wilshire hotel on Saturday, April 24, will provide the colorful setting for the annual "Carnation Ball" sponsored by the Alpha Chi Omega alumnae of Southern California.

The affair, according to Mrs. Edward Stevenson, dance chairman, will be a dinner-dance starting at 7:30 p.m. with music by Ivan Scott's orchestra.

Funds from the benefit will be used for scholarships for advanced training in the field of cerebral palsy, the sorority's national philanthropy. Applications for these scholarships are made through the Crippled Children's Society of Los Angeles.

Expecting to attend the dance from the Sierra Madre area are Mr. and Mrs. Norman Anderson, Mr. and Mrs. M. W. Biefuss, Mr. and Mrs. Charles Bozarth, Mr. and Mrs. W. A. Valdecott, Mr. and Mrs. Robert Clark, Mr. and Mrs. Gerald Good, Mr. and Mrs. Harry Masser, Jr., Mr. and Mrs. Edwin McAllister, Mr. and Mrs. Robert Meserve, Mr. and Mrs. James Reed and Mr. and Mrs. Harold Voegelin.

Handling local reservations are Mrs. A. L. Jensen, SYcamore 4-1241, and Harold Voegelin, CUSter 5-2963. All Alpha Chis are welcome to attend and bring guests.

Junior League Has Annual Meeting

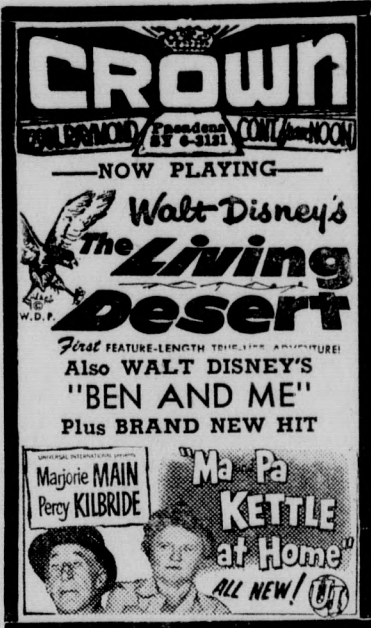

The members of the Junior League of Pasadena held their annual meeting recently in the Huntington hotel ballroom. Mrs. Earl Cranston, a member of the Pasadena Board of Education, spoke on "Family Opportunities Unlimited."

Mrs. John Osgood of our area was one of the new provisionals presented to the membership.

Clipper Club 'Sails' On Hawaiian Cruise

A mythical "Trip to Hawaii" is scheduled when the Clipper club of Trinity Presbyterian church met for dinner at 8 p.m. Monday, April 19.

Hawaiian food was served and, through a Matson Line film presentation, the group boarded the Lurline for the trip over, visiting the Royal Hawaiian and Surfrider hotels and other points of interest before "returning."

Official greeters were Mr. and Mrs. Bill Ruddock, Mr. and Mrs. Horace Ray, Mr. and Mrs. Wilbur Jordan and Mr. and Mrs. Harrison Baker, Jr.

Hastings Ranch Little League Starts

Hastings Ranch is going to have its own Little League for its abundance of baseball-playing youngsters. To be eligible, boys must be between the ages of eight and 12, provided they will not be 13 until after July 31.

Dick Beattie, president of the Hastings Ranch league now in the process of formation, has asked all boys and parents interested to meet in the Eugene Field cafeteria at 7 p.m. Tuesday, April 27. Boys from Don Benito and Eugene Field may participate if they are not already in Little League activity.

Don Hays Celebrates Birthday at Party

As an ultra climax to the Don Benito Dad's Show held recently, Mrs. C. D. Hays, 1260 Coronet, gave a surprise birthday party for her husband immediately following the "production."

Miniature "Oscars" were presented to seven of the guests who had participated in the show. Hal Leffingwell acted as master of ceremonies during the presentation of the awards.

Those enjoying the midnight supper and pre-dawn dancing were Mr. and Mrs. Leffingwell, Mr. and Mrs. Frank Cary, Mr. and Mrs. Charles Hardison, Mr. and Mrs. Rudy Mandola, Mr. and Mrs. Robert Meason, Mr. and Mrs. Frank J. Price, Mr. and Mrs. Victor Caffee and Mr. and Mrs. Sam Rudnick.

Mrs. Robert J. Dumas Entertains at Party

Mrs. Robert J. Dumas, 1210 Rexford, recently entertained at an afternoon party.

In order to attend the party each guest had to make the garment they appeared in. Among those gals sewing a "fine seam" for the affair were Mrs. Orville Johnson, Mrs. Jack Follmer, Mrs. Steffen Johnson, Mrs. Fred Donald, Mrs. Robert Fainer, Mrs. Raymond Harvey, Mrs. Leonard Read, Mrs. William Lawson, Mrs. Will Schaafsma, Mrs. Dahl Gerich, Mrs. Ken Galpin, Mrs. L. T. Anderson and Mrs. George Krotz.

New Building Plans Filed for Don Benito

Plans have been completed for construction of a frame and stucco multipurpose building at Don Benito school and have been filed with the State Division of Architecture.

The new 15,000-square-foot building will house six classrooms and a cafeteria. It is hoped construction on the new addition will start next month.

JoAnne Madsen Wed in Home Ceremony

The Peter Madsen's garden was the scene last Sunday afternoon of the reception which followed the wedding of their daughter, Jo Anne, to John E. Roberts.

The young couple cut their three-tiered cake under a canopy while some 150 of their friends smiled approval. They were married at 2 p.m. before the mantle in the living room of the Madsen home, 3855 Shadow Grove, which was decked with white blooms.

She said her vows to Mr. Roberts, son of Mr. and Mrs. George E. Roberts, 525 Windsor, Arcadia, in a gown of Chantilly lace and nylon and a headpiece of seed pearls. She carried white butterfly orchids and stephanotis. Presiding Bishop L. M. Ballard of the Church of Latter Day Saints of Monrovia performed the ceremony.

Gowned in pink lace and pink veiled headpiece and carrying a crescent of pink roses and carnations, Miss Rose Marie Franklin, Riverside, and a room-mate of the bride at the Phi Mu house at UCLA, was maid of honor. George W. Gish, Jr., was best man.

The bride is a graduate of PCC and is a junior at UCLA. Mr. Roberts also attended PCC and is at present with the U.S. Air Force. The couple is honeymooning in La Jolla.

PREPARING FOR THEIR BENEFIT FASHION TEA to be held May 1 in the gardens of the Billings K. Ruddock home (Arbolada) Arcadia, are these members of Trinity Presbyterian Guild. Seated (left to right) are Mrs. Horace Ray, Mrs. E. LeRoy Thompson, and Mrs. Everett Fairlamb Jr.; standing, Mrs. John H. Fleming, and Miss Mabel E. Schadt. A major spring social event in the Ranch, a number of luncheons and suppers are planned for before and after the show.

More New Families Join 'Ranchers'

Among newcomers in Hastings are these four families:

From Euclid, Ohio are Mr. and Mrs. William Koeth, who, with their two young daughters, are residing at 3690 Hampton.

New Jersey lost to Pasadena when Mr. and Mrs. R. F. Jones came here to move into 3690 Mayfair.

Mr. and Mrs. William Hart recently moved into 3660 Hampton.

Mr. and Mrs. John Wellman and little son and daughter, moved from Morningside Park to 3839 Mayfair.

MRS. AL L. PRUITT ENTERTAINS GROUP

Mrs. Al L. Pruitt, 3810 Tropical, recently entertained a group of old friends at a luncheon party.

Bethany Preaching Mission Continues Through Weekend

DR. HARRY VOM BRUCH

The current series of evangelistic meetings at the Bethany church will continue through this coming weekend. Dr. Harry Vom Bruch, outstanding preacher from Long Beach, will be speaking each night at 7:30 and also for the service Sunday morning.

Dr. Robert N. Schaper, pastor, reports that interest and attendance has been very high, and that the entire church is being helped by the ministry of Dr. Vom Bruch. In addition to outstanding guest soloists Mr. Earle Anderson of Sierra Madre will be singing each night.

At 7:30 every evening Dr. Vom Bruch shows a number of Kodachrome slides from his un-

usual collection of over 2000 pictures. These films tell interesting stories about famous preachers, evangelists, song writers and unusual personalities of the past and present generation.

The messages of this unusual evangelist are sparkling with wit and humor, yet the impact of his preaching is deep and powerful, according to the pastor. The wide range of his experience affords illustrations and anecdotes which serve to point up the lesson he brings.

These meetings are open to the public and nursery services are provided at each session.

Post-Easter Victory Theme At Redeemer

"From Victory Unto Victory" will be the spiritual emphasis at the Church of Our Redeemer, Methodist, during the 50 days from Easter to Pentecost. The entire program of the church will be geared for a victory crusade. This will be a program with a purpose aimed toward gaining power from Christ.

Setting the theme for this period, the pastor will preach on the subject, "You Are Witnesses," at the 11 a.m. worship service on Sunday.

A part of the program will be the church membership training class for children. This class will meet from 4 to 5 p.m. each Friday afternoon during the next six weeks. The class will be taught by Rev. Raynor Smith. Those desiring to be in the class should contact Rev. Smith at once. Children in the class will be received into membership on Pentecost Sunday.

As a part of the Easter service at Church of Our Redeemer, several children were baptized and new members received.

Those baptized were: Marsha Ann Wilson, daughter of Mr. and Mrs. Charles L. Wilson; Sandra Kay Smith, daughter of Mr. and Mrs. Myron Smith; Danny Thomas James and Susan Frances James, son and daughter of Mr. and Mrs. Richard T. James. New members joining the church were: Mr. and Mrs. Tommy Vaughn, Mr. and Mrs. Horace J. Elisele, Mr. and Mrs. Richard T. James. New members joining just before Easter included Mr. and Mrs. Eugene Lammers, Mrs. Lillian Haverick, Mrs. Louise Kortkamp and Mr. and Mrs. Richard Fletcher.

Church school classes at 9:30 a.m. each Sunday offer religious education opportunities for those without an active church home. Classes are available for every age group.

'Ahead of Schedule' Report on Lutheran Parsonage Progress

"Ahead of estimated schedule," is the report of the building committee of Faith Lutheran church on the new parsonage being erected on the church property at 795 Hastings Ranch Dr.

The 1872-square-foot home is being constructed by builder James Fabbro, 3560 Fairmead Rd. Construction was begun on March 4 and occupancy by the Rev. and Mrs. A. Hesse and their three children is now scheduled for June 1st.

All available and able-bodied men of the parish have been requested to assist on Saturday morning and afternoon in the erection of a concrete block wall. This retaining wall on the north side of the new parsonage also will enable the congregation to develop the adjoining lot for playground and parking purposes.

Other recent improvements include the seeding of the church lawns by Mr. Robert Osti of Osti's Nursery in Sierra Madre.

ALMA LOWE CREIGHTON SUNRISE SERVICE SOLOIST

Alma Lowe Creighton, 661 Canyon Crest, was the soloist at the Easter sunrise services held in the Juniper Bowl, Juniper Hills.

Mrs. Creighton is the past president of the Lyric club and junior past president of the Dominant club, both musical organizations. She is currently secretary of the Euterpe Opera Reading club.

First Baptist to Induct New Officers May 2

New officers elected at First Baptist church will be installed May 2 at the regular morning service. Elected to serve as deacon for a three-year term was Rodney Sawtelle. Other deacons remaining in office are J. L. Branham, Lonnie Hall, W. F. MacNeill and Jack Rhodes and deaconesses, Mrs. Lydia Bell, Mrs. Lonnie Hall and Mrs. W. F. MacNeill.

New trustees will be Mrs. Ed. Timrott and Mrs. Gifford Eastwood who will serve with L. G. Bunker and W. F. MacNeill. Mrs. Walter Reed was re-elected treasurer of the church and Miss Enid Tibbony is the new church clerk. Mr. Sawtelle was elected Sunday school superintendent and Mrs. Edward Kriz assistant to the superintendent.

Mrs. Skutt to Discuss Her Book, 'World Safari' At Consenso Meeting

Consenso will meet at 8 p.m., Tuesday, April 27, in the home of Mrs. Roy Pickett, 189 W. Highland, who will have as her co-hostesses Mrs. Robert Ingram and Mrs. A. M. Westhafer.

The speaker will be Mrs. Charles A. Skutt who will discuss her book, "World Safari," being published this month, and will show color slides of countries in the Orient visited by her and Mr. Skutt on their recent world tour.

Salvation via Obedience Shown in Lesson-Sermon

Unwavering obedience to the eternal demands of Christ is the way to individual salvation and progress, asserts the lesson-sermon at the Sunday services in all Christian Science churches.

The sermon entitled "Probation After Death" includes the following verses from Proverbs: "Keep thy heart with all diligence; for out of it are the issues of life. . . Ponder the path of thy feet, and let all thy ways be established." (4:23, 26).

Mary Baker Eddy counsels in "Science and Health with Key to the Scriptures": "Every day makes its demands upon us for higher proofs rather than professions of Christian power. These proofs consist solely in the destruction of sin, sickness and death by the power of Spirit, as Jesus destroyed them. This is an element of progress, and progress is the law of God, Whose law demands of us only what we can certainly fulfil." (p. 233).

The golden text is from Psalms:

"Examine me, O Lord, and prove me; try my reins and my heart." (26:2).

'LIFE IS WHAT YOU MAKE IT' RELIGIOUS SCIENCE SUBJECT

"Life is What You Make It" will be the subject of the Sunday, April 25 sermon to be presented by Dr. Ethel Barnhart at Santa Anita Church of Religious Science, 778 S. Rosemead Blvd., Pasadena.

District Official To Be Guest On Sunday at Faith Lutheran

"Official Visitation Day" is slated for next Sunday for the congregation of Faith Lutheran church, 835 Hastings Ranch Dr. During the 10:30 morning service, a representative of the Southern California District Mission Board will address the members. At an informal evening gathering at 7:30 o'clock, a number of district representatives will visit with the men, women and young people of the parish.

"Although the supreme and authoritative body in our Lutheran churches is the local congregation," explains the Rev. A. Hesse, "we welcome these officials whom we have helped to elect in our district conventions. From them we receive valuable advice, timely assistance and encouragement. They are the ambassadors of good will to our parishes."

Serving in behalf of the Ladies' Mission Aid as evening hostesses will be the Mesdames D. Alsop, W. Huff, A. Barz and O. Johnson.

Faith Lutheran also reports a filled chapel in their two Easter services last Sunday. In the 9:15 Sunday School Parent-Pupil service, attended by 195 nine children and one adult were baptized.

It has been announced that the congregation's two-week Children's Vacation Bible school will be held from June 21 to July 2, from 9 to 11:30 each school morning.

Dr. Rufus von Kleinsmid, president USC, "What is this greatest of all republics has become is the result of contributions of people of the most diverse racial and national origins from all over the world."

Any Worn Sheets To Give? Can Be Used for Bandages

Most requests aimed at the citizenry these days are for money—donations for projects and philanthropies large and small and nearly always worthy.

But a soft-spoken woman who telephoned The NEWS the other day had quite a different but worthy request that she hoped we might pass along to our readers. She is Mrs. Dorothy Pagenkopf, 52 W. Laurel, who is all out of used, torn bed sheets and she hopes that some Sierra Madre housewives might want to dispose of some after spring house-cleaning their linen closets.

Mrs. Pagenkopf, a widow and a member of Bethany church, make bandages and crib sheets out of the worn sheets that are given her. She turns them over to foreign missionary friends. The bandages go mostly to leper colonies in India.

Since Mrs. Pagenkopf is out baby-sitting often and has no car, she says she would very much appreciate it if donors would just leave the worn sheets on the front porch of her house.

Mrs. Pagenkopf carries on this project pretty much on her own but occasionally she invites a group of missionary-minded women in to help her tear and roll the bandages. She also joins Bethany church women once a month to help with their sewing projects.

Penn Phillips Figures in Huge Victorville Land Buy

M. PENN PHILLIPS

The largest private land sale in Southern California in 35 years was consummated this week with the purchase of a 36-square-mile tract outside of Victorville, off Highway 66, by the Osmar Investment company of Los Angeles of which a Sierra Madre man, M. Penn Phillips, 200 Olivera Lane, is president.

Not since Philip K. Wrigley purchased Catalina Island in 1919 has there been a real estate transaction involving so much land, according to Phillips.

The land was bought for \$1,250,000 for the Appleton Land and Water company and the Lacey estate which had owned it jointly since 1888. One thousand acres of the property will be allocated to industrial development, 8000 acres to agriculture. A residential section of 5000 homes and construction of an artificial lake and resort section also are planned.

Phillips is a veteran California real estate developer and home builder, having been active since 1920. By 1929 he had purchased and developed 5800 lots and 18,000 acres of land in the Coos Bay area. In association with Jack Dempsey he developed and built the famed Hotel Del Pacifico in Ensenada, Mexico, in 1931. From 1929 to 1932 he bought and sold more than 60,000 acres of undeveloped land in the Colorado River basin and since 1946 he has bought, developed and sold thousands of acres in Palmdale, Lancaster, Victorville, Apple Valley, Barstow and Newberry Valley.

During World War II he served on a dollar-a-year basis as executive vice-chairman, U.S. Treasury Department War Finance Committee for Southern California.

G. L. Kelleys' Son Enroute to Labrador With Air Force Band

Labrador's sub-zero temperatures will be an abrupt change for Airman 3/c Graham Kelley, 21-year-old son of Mr. and Mrs. George L. Kelley of 165 S. Roosevelt, Pasadena, formerly of Sierra Madre. The young airman has just concluded a 20-day furlough in Pasadena's mild climate with his parents and has gone to Massachusetts to be outfitted for the trip to Goose Bay.

He has volunteered as a member of a 20-piece Air Force band, recently organized to help provide entertainment for the 3000 men on the isolated base. He plays the trumpet.

Airman Kelley enlisted in the Air Force in 1952. A graduate of Pasadena secondary schools, Wilson and John Muir, he began his study of music at Pasadena City college. He had played for two years in the Pasadena Tournament of Roses official band.

Until recently he had been on assignment with the 753rd Air Force band at the base at Alexandria, La.

Mr. and Mrs. Kelley have an older son, Capt. William Kelley, stationed at Mather Air Force base.

Band Subscriber List Grows; More Funds Needed for Music

Charter memberships in the Sierra Madre Concert Band association will remain open for an undetermined period of time it was announced this week by the band committee chairman, Stanley Coutant. To date, according to Coutant, receipts from the recently-opened membership subscription now total \$82. This money and other that will be forthcoming from memberships will be used to keep the band supplied with music.

The next band concert is scheduled for May 14 in the City school auditorium, according to Roger Gray, director. It is hoped that succeeding concerts can move outdoors to the park.

Play at Show
Approximately 30 of the band's 40 musicians appeared at the Pasadena Flower and Garden show on April 10 to represent Sierra Madre, although many of the band's personnel live in surrounding cities. Anyone with at least two years' band experience is welcome to join the group with rehearsals at 7:30 p.m. every Wednesday in the school auditorium.

The band association committee has expressed its gratitude to the citizens who have contributed so far by becoming member-subscribers of the band which is still in the formative stage and appreciates a boost.

Charter Members Listed
The following comprise the charter members to date: Mrs. Noren Eaton, Sidney B. Haupt, Kenneth Golding, Knox Hagar, Mabel Alice Grill, Dr. and Mrs. Nathan Jacobs, Mr. and Mrs. Stanley Coutant and son, Stanley O. Coutant, Paul Landwehr, Philip Mitchell, Robert Shadforth, Sterling Ripple, Lee Shippey, Frank Barbour, Maysie F. Skutt, Dr. and Mrs. Milton W. Valois, Mrs. C. E. Weaver, Ralph M. Welch, Sydney Westfall, Kenneth S. Williamson and J. B. Jovenat, Jr.

In addition to the subscriptions of individual members, the Lions club also has donated \$22 to the band fund.

Band membership blanks may be found from time to time in the Sierra Madre NEWS.

'Male Animal' Slated for April 29 at Playhouse

College rah-rah takes a ribbing in the James Thurber-Elliott Nugent comedy play, "The Male Animal," slated for revival at the Pasadena Playhouse, beginning on Thursday, April 29.

"Gigi," Gallie comedy now at the Playhouse, plays through Sunday, April 25.

Pfc. James E. Wilson Home on Furlough

Sierra Madre is rather a distinct change of scene for Pfc. James E. Wilson Jr., son of Mr. and Mrs. Wilson, 282 Santa Anita Ct., who is home on a 30-day furlough after a year in the South Pacific. He arrived home last week. At the conclusion of his furlough he will report to Fort Stoneman, near Oakland, for reassignment.

Sea Scouts Open House Is Set for 28th

The local Sea Scout Ship will show off its new headquarters at an open house Wednesday evening, April 28, and has invited all boys, parents and others interested in Sea Scouting. The new headquarters, which the boys have been busily cleaning and refurbishing, is located on the Tarr estate and the entrance is at 312 W. Montecito. Members of the host group will be stationed there to direct visitors to the Ship.

A feature of the evening's entertainment will be the showing of some navy films including one entitled, "War on the Seas. Members of the Mothers' Auxiliary will serve refreshments afterward. The mothers' committee includes Mrs. Charles Peterson and Mrs. Shannon Marshall.

The Sea Scout committee for the open house is made up of Dan Lee Peterson, Clark Marshall and Leonard Barrett. The Sea Scout Ship, one of only two in the San Gabriel Valley, kept afloat for many months even though it had no regular meeting place. Now that headquarters are again established, the group hopes to enlist more members.

Sea Scouting is part of the Boy Scout movement on the Explorer level. Explorers are divided into land, sea and air interest groups for the senior Scouts. Sea Scouting is open to boys between the ages of 14 and 18 inclusive, and they need not have a previous background of Scouting. The local Sea Scout Ship is sponsored by the Sierra Madre Lions Club.

HOBBY BANDWAGON FEATURE TOMORROW AT WHISTLE STOP

The Hobby Bandwagon, described as the "biggest hobby show on wheels in the world," will make a one-day appearance at the Whistle Stop, 3745 E. Colorado, Pasadena, one-half block east of Rosemead, tomorrow.

Mrs. Clara Bruce Lacy of Sierra Madre operates the Whistle Stop hobby store. She says the big free hobby show tomorrow, April 23, contains working displays of almost every type of hobby imaginable. Shown will be a jet engine that works although it's small enough to fit in the palm of a hand.

There will be a complete model railroad system with chugging locomotives, operating on a space the size of a kitchen table top. Boat models range from one of the historic Constitution and the Mighty Mo to one of the latest developments, the atomic submarine.

Of interest to sport car enthusiasts there will be models of hot rods and for admirers of antique automobiles there will be on display miniatures of the first Ford ever built, a Stutz Bearcat, Jack Benny's old Maxwell and other old-time autos.

Crafts items for Mom and Sis range from instructions in reed craft to textile painting. The show is free. The time: between 2 and 9 p.m. tomorrow.

Joe Dearing, S. F. fish and game editor—"Men think they invented the art of jet propulsion—but it was old hat stuff with the octopus when men were still living in caves."

Public Schools Week Climax Set for Apr 30

Public Schools Week, sponsored annually in California by Masonic Lodges and proclaimed locally by the Sierra Madre City Council, will be observed April 26 through May 1, according to Dr. Raymond B. Pease, chairman of the observance for the Sierra Madre Lodge No. 408, F. and A. M.

A high point of the observance will be openhouse at the City school Friday night, April 30, starting at 7:30. Prizes will be awarded then in the poster contest in which fifth and sixth grade pupils are competing for small cash prizes, according to Dr. Pease.

Also on exhibition will be other examples of the elementary school children's work such as compositions, maps, drawings and penmanship exercises. Supt. of Schools Charles A. Skutt comments as follows on Public Schools Week:

"The purpose is to focus widespread attention on the aims, methods and needs of the public schools which are truly an 'American Heritage.' You are cordially invited to visit your City school during the week and to attend the openhouse program Friday night, April 30, in the school auditorium.

Judge John C. Mead, prominent member of the sponsoring lodge, says:

"Our main purpose is to have the parents and public in general visit the school to see and fully appreciate the vital educational training our children receive through 'our great American heritage.' Everyone should plan to participate in the observance this year."

GOOD FRIDAY—from page 1
icipating and was the first major undertaking of the Sierra Madre Ministerial association which was formed early this year.

Conducting 25-minute periods of meditation based on Jesus' seven last words from the cross were: the Rev. Edward J. Kriz of First Baptist church, the Rev. Robert N. Schaper, Bethany church (non-denominational), the Rev. Carl Smith, Congregational church, Dr. Robert Bell, retired Episcopal rector, the Rev. Raynor Smith, Church of Our Redeemer, Methodist, the Rev. Orian G. Burlison of the host church, Nazarene, and the Rev. Donald H. Ostrander, Trinity Presbyterian church.

CANDIDATES—from page 1

Feichtmann's petition was circulated by Harold R. Bartel and signed by Bartel, Charles E. Bartley, Claude H. Brown Jr., Mrs. Kenneth A. Bush, Mac A. Cason, Norman S. McDonald, Mrs. Ray Obazawa, John W. Reece, Severin L. Sorensen and Mrs. Katherine L. Valentine.
A petition is not required for an incumbent candidate.

Full Gospel Church at Woman's Club Sunday

A number of Christian friends who have been meeting each Saturday evening at the home of Mrs. Elizabeth Jones have made arrangements to conduct worship services each Sunday morning at the Woman's clubhouse.

The meetings are being sponsored by Ted Erickson, a Christian layman who has been active in religious work for a number of years. The group has taken the name of the Sierra Madre Full Gospel church, and Mr. Erickson states an active evangelistic program is contemplated. In the near future he plans to conduct a series of revival services which

Kiwanians Hear Talk By Dr. W. Bartlett

Dr. Willard W. Bartlett of Claremont spoke on French-Canadian country folk life in Quebec at the regular luncheon meeting of the Kiwanis Club held Tuesday at the Womans' clubhouse.

Dr. Bartlett concluded his portion of the program with the recitation of several poems by Wm. Henry Drummond.

Dr. Earl Gossard was program chairman. Special guests were Ray Rodgers, Arcadia; Fred Harber, Ontario, and Morris Yasskin of Sierra Madre.

Next week in addition to the regular meeting on Tuesday, there will be an inter-club meeting on Wednesday noon at Eaton's restaurant, East Pasadena.

HARTMAN HONORED BY REXALL FOR '53 SALES RECORD

Rudolph Hartman, proprietor of the Hartman Pharmacies in Sierra Madre, has been honored by the Rexall Drug company for his "outstanding record during the Rexall company's 50th anniversary year of 1953, it has been announced.

Hartman, who increased his volume of Rexall by more than 15 per cent in 1953, recently received a specially inscribed gold travel watch as a personal memento of the occasion and has been enrolled in the Rexall Golden Anniversary Club whose members will have their names inscribed on a bronze plaque at

the company's world headquarters in Los Angeles.

Commenting on the honor, Hartman attributed it to the increased patronage he had received from local shoppers during 1953.

"People of this community responded wonderfully to the special values that I was able to offer them in 1953," he remarked.

The local pharmacist is in his 44th year as a Sierra Madre businessman. His pharmacies are located at 28 N. Baldwin and in Medical Center building.
